

**IMPORTANT NOTICE:**  
**UPCOMING**  
**CONSTRUCTION IN FRONT**  
**OF YOUR HOME**

**Project Name:** Perris North Pipeline Project - Phase II

**Project Details:** The project consists of installing approximately 18,300 linear feet of pipeline that will provide additional local water supply in the City of Moreno Valley.

**Project Update:** Work is set to begin at the intersection of Chelbana Way and Gentian Avenue on Thursday, January 25th (weather-permitting). For the next several weeks, crews will be working on the following:

- Pipeline installation and project activities on Gentian Avenue from Chelbana Way to Patricia Street;
- Pipeline installation and project activities on Patricia Street from Gentian Avenue to Santiago Drive;
- Pipeline installation and project activities for a portion of Santiago Drive from Patricia Street to EMWD's future well site at the City of Moreno Valley City Yard.

**Please note:** Final paving of the project alignment will occur when crews finish all project activities; estimated for Fall 2024.

See back side for more information →

## PROJECT SITE MAP

## PROJECT SITE MAP

### What to Expect:

- No water service interruption;
- Accommodated access to/from homes and residential streets with the assistance of traffic flaggers;
- Working hours of 8:00 a.m. to 4:30 p.m. with traffic control measures including temporary no-street parking in front of the work area;
- Temporary noise, dust, and vibrations from construction work;
- Roads restored to a drivable state at the end of each work day; with final paving estimated to occur in Fall 2024.

*Thank you for your patience as we work to continue to serve you with safe and reliable water and wastewater services.*

*Si necesita esta información en español, favor de llamar al  
(951) 928-3777 ext. 4370*
