

EASTERN MUNICIPAL WATER DISTRICT BACKFLOW PREVENTION ASSEMBLY TESTERS

Note: The backflow testers identified below are certified by the Riverside County Department of Environmental Health and have also complied with the requirements set forth by the District under EMWD Administrative Code 5.504. The District does not endorse the work or performance of these backflow prevention assembly testers and has no responsibility or liability for the work they perform. The work performed is a contractual agreement between the account holder and the backflow prevention assembly tester. The District in no way guarantees or warranties the work performed.
